

Character Education

Resources for students from Greenhaven Press® and Lucent Books®

NEW TITLES! **FULL COLOR** Students are consistently confronted with a wide range of issues that affect their character development as they move toward adulthood. Building character requires offering young people the information they need to make informed, well-reasoned choices about a host of social and developmental issues, from self-image, sexuality and role model choice to discrimination, ethics and violence. Designed specifically for younger researchers, these engaging references provide detailed yet accessible information on a wide variety of such issues, supporting critical thinking skills and enhancing understanding.

Volumes typically include:

- Table of contents
 - Timeline of important dates
 - Introduction
 - Four to seven chapters with illustrations (photographs, tables, charts, etc.)
 - Sidebars highlighting personalities, events or commentary relevant to chapter topics
 - For More Information — an annotated bibliography of age-appropriate resources, including Web sites
 - End notes, glossary and index
-  Select titles also available in digital eBook format.

Partnership for 21st Century Skills

Gale is a member of the Partnership for 21st Century Skills, a leading national advocacy organization focused on infusing 21st century skills into education. The Partnership brings together the business community, education leaders and policymakers to define a powerful vision for 21st century education to ensure each child's success as a 21st century citizen and worker. The Partnership and Gale encourage schools, districts and states to advocate 21st century skills and provide tools and resources that help facilitate and drive change.
