

# U•X•L® Online

For years, U•X•L®, has published curriculum-driven reference books for elementary through community college students—researchers of all ages. These affordably priced titles are also appropriate for adult researchers who need authoritative information in an easy-to-understand format. Now, this comprehensive collection is available online as a new product – *U•X•L Online*.

## ONE RESOURCE, THOUSANDS OF REFERENCE eBooks

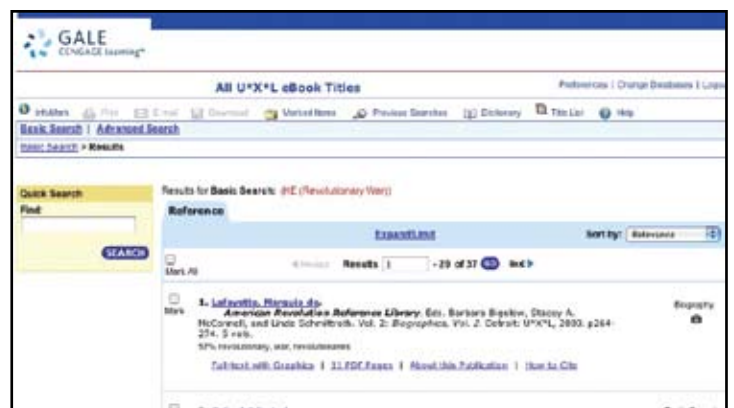

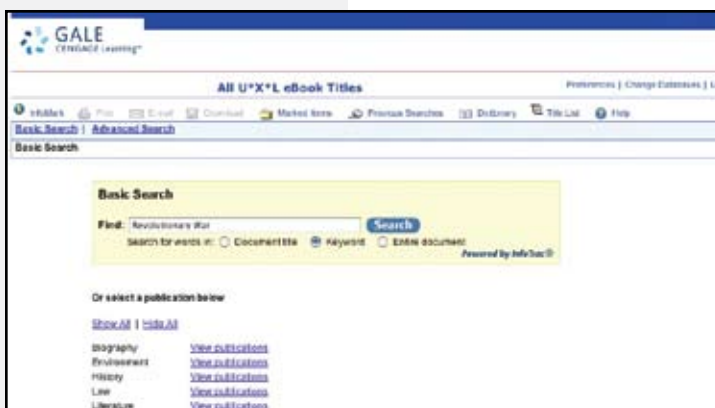

*U•X•L Online* is available through *Gale Virtual Reference Library* and is comprised of seventy-eight titles – 349 volumes – of teachers and students' "go-to" references. U•X•L favorites such as *U•X•L Encyclopedia of Science*, *Chemical Elements*, *Grzimek's Student Animal Life Resource* and *Checks and Balances* join new titles including *World Religions Reference Library*, *Middle East Conflict Reference Library*, *Elizabethan World Reference Library*, *Alternative Energy*, *U•X•L Encyclopedia of Drugs and Addictive Substances*, and many more!

## COMPLETE YOUR K-12 REFERENCE LIBRARY

Five types of must-have eBooks – encyclopedias, biographies, almanacs, chronologies, and primary source/voices volumes – are included in this collection, rounding out your existing *Gale Virtual Reference Library* eBook collection. The titles in *U•X•L Online* cover five major curriculum areas: science and medicine; history and social sciences; nation and world; multicultural studies; and a catchall of arts and performing arts, sports, careers and other topics students find interesting. *U•X•L Online* will support in-classroom learning, by giving teachers the tools they need to complement virtually any curriculum.

## 24/7 ACCESSIBILITY MEANS NOBODY GETS TURNED AWAY

Nobody knows better than you: students sometimes wait until the last minute to write a paper or research a project.

▲ Students will find myriad easy-to-read information.

▲ Searches yield reference content from encyclopedias, biographies, almanacs, chronologies and primary source/voices.

That's why *U•X•L Online* is a smart addition to any library. These eBooks can help with homework assignments by enabling students to find authoritative, accurate, current content with which to conduct their research. And last-minute researchers will never worry that the book they're looking for is "checked out" or unavailable – multiple students can access the same eBook simultaneously. Plus, because these numerous titles are available online, students can access them from any computer with an Internet connection, at any time. A student writing a paper on Karl Marx can access the Industrial Revolution Reference Library eBook at midnight – right from his home computer. Now *that's* convenience!
